CONTRACTUAL ENGAGEMENT OF PROJECT PERSONNEL

The Wildlife Institute of India (WII) is a premier autonomous Institute under the Ministry of Environment, Forest & Climate Change, and Government of India, in the field of wildlife research, teaching and training. The Institute plans to engage following positions / project personnel (Indian national only). All engagements are purely on a contractual basis, initially for a one-year period from the date of engagement that can be extended depending on the candidate's performance and the programme needs for further period up to three years. The work description, essential and desirable qualifications, age (as on date of advertisement) and the consolidated monthly emoluments for the required position is given in Annexure 1. The upper age limits for all posts may be relaxed up to 5 years for SC/ST/Women/Physically Challenged and 3 years for OBC candidates.

The selection will be made on the basis of written test followed by personal interview. Candidates should submit their applications online at the site www.wii.gov.in within 30 days of the publication of this advertisement in the newspapers. Each candidate can apply at the most for two positions only. Application fees of Rs. 500 will have to be deposited online for each application. Payment can be made via Internet Banking/Debit Card/Credit Card through our online secured payment gateway.

The written test will be of one-hour duration with 25 objective type questions of one mark each (Total 25 marks) covering subjects related to general aptitude and an essay (500-800 words in English or in Hindi Languages) on the subject specific domain (25 marks). The written test will be held at Dehra Dun and the personal interview will be conducted at the WII in its campus. No TA/DA will be given for attending the written test or the personal interview. For the personal interview, the short listed candidates should bring the duly filled-in application with attested true copies of testimonials of educational qualifications, research experience, Ph.D. thesis along with certificate of extracurricular activities, date of birth, mark sheets of all examinations etc. All original documents/certificates must be produced at the time of personal interview for necessary verification. The registration portal will remain open from 4th August to 3rd September, 2017. The date of online written test is 24th September, 2017. The date of personal interview will be notified at our site (www.wii.gov.in) and also through email.

The written test is of a qualifying nature and the shortlisted candidates only will be called for the personal interview. The final selection of the candidate will be in accordance with the performance in the interview and in order of merit as decided by the Interview Committee.

The decision of the Institute's Screening Committee in all matters relating to eligibility, work experience, acceptance or rejection of application, mode of selection will be final and binding on the candidates and no enquiry or correspondence will be entertained from any individual or his/her agency.

At the time of the verification of original documents, if it is found that an attempt has been made by the applicant to willfully conceal, misrepresent or canvass the facts, his/her candidature will not be considered. A separate declaration form will have to be submitted through online application system.

How to Apply

- a) The process for registration and written test is “Online”. Details for online registration and written test will be hosted on the WII’s website (www.wii.gov.in).
- b) The online registration process will be open up to 3rd September, 2017.
- c) All eligible interested candidates are advised to follow the latest updates on the WII’s website (www.wii.gov.in) for online registration, submission of application and payment of application processing fee, etc.
- d) Candidates will be required to fill in their personal, educational and professional experience profiles online besides uploading a recent passport size photograph. Candidates will make the payment of application processing fee of Rs. 500/- (Rupees Five hundred only) through the prescribed “Payment Gateway”. Candidates belonging to SC, ST and Physically Challenged category need to pay only Rs. 100/- as communication fees.
- e) Candidates must mention the Project name and Position applied for in their applications.
- f) Candidates can apply for maximum of two positions in any project and pay the fee for each position

Note: The registration portal will remain open from 4th August to 3rd September, 2017. The date of online written test is 24th September, 2017.

ANNEXURE I: THE DETAILS OF THE EXISTING POSITIONS WITH EQ, DQ, AGE LIMIT AND WORK DESCRIPTION

Project	No.*	Positions	No. of Posts	Total consolidate emolument**	Qualification		Age limit	Work Description
					Essential	Desirable***		
Establishment of Ganga Aqualife Conservation Monitoring Centre	1.1	Conservation Biologist	1	Rs. 32,000	Master's degree with minimum of 60% aggregate marks in Wildlife Science / Forestry / Environmental Science / Botany / Zoology / Veterinary Science/Life Science or related subjects with ≥ 1 year experience in relevant field	Experience in wildlife research / conservation / monitoring of aquatic macro fauna / wetland ecology.	35 years	Candidate will assist the Project Scientist and Associate in field research on ecology and conservation biology on Ganga ecosystem
Planning Aquatic Species Restoration for Ganga River	2.1	Aquatic wildlife monitoring specialist	1	Rs. 54,100	Ph.D. in Wildlife Science /Forestry / Environmental Science / Botany / Zoology / Veterinary science/Life Science or related subjects with ≥ 1 year experience in zoological field.	Experience in aquatic wildlife research/ monitoring/conservation. Sound knowledge on the biology of aquatic macro fauna.	45 years	Candidate will prepare the biodiversity profile of Ganga River and develop pilot species restoration plans for select species and river stretches.
	2.2	Aquatic Botanist	1	Rs. 32,000	Master's degree with minimum of 60% aggregate marks in Botany/ Forestry/ Wildlife Science / Life Science or related subjects with ≥ 1 year experience in relevant field.	Experience in aquatic habitat monitoring/ wildlife research/ conservation	35 years	Field sampling for biodiversity profiling and assessing various Environmental parameters.
	2.3	Wildlife Biologist (Fish)	1	Rs. 32,000	Master's degree with minimum of 60% aggregate marks in Wildlife Science / Forestry /Environmental Science/Zoology / Fishery Science/ Life	Experience in Taxonomy and Biology of Fishes/ Aquatic Ecology/ River habitat assessment/ wetland ecology.	35 years	Field sampling for biodiversity profiling and assessing various Environmental parameters.

					Science or related subjects with ≥ 1 year experience in relevant field.			
	2.4	Wildlife Biologist (Birds and Mammals)	1	Rs. 32,000	Master's degree with minimum of 60% aggregate marks in Wildlife Science / Forestry /Environmental Science/Zoology / Life Science or related subjects with ≥ 1 year experience in relevant field.	Experience in wildlife conservation/ ecology / Application of wildlife related Software.	35 years	Field sampling for biodiversity profiling and assessing various Environmental parameters.
	2.5	Spatial analyst	1	Rs. 32,000	Master's degree with minimum of 60% aggregate marks in Geo-information/ Life Science/Environmental Science /M.Tech. in Environmental Engineering/ Remote Sensing& GIS or related subjects with ≥ 1 year experience in relevant field.	Experience in projects related to GIS and Remote Sensing after Master's degree particularly experience of working on wildlife and aquatic habitat	35 years	Candidate will assist the Project Associate in creation of spatial database and other lab works. Conduct field work, when required for spatial modeling.
	2.6	Project Assistant Grade II	1	Rs. 20,000	Bachelor's degree with in subjects related to life sciences.	Masters' degree with in any discipline. Experience and enthusiasm in implementing conservation projects.	30 years	Candidate will assist in field sampling for biodiversity profiling and assessing various environmental parameters.
Capacity Building of Forest Department and Other Stakeholders	3.1	Assistant Training Coordinator	1	Rs. 32,000	Master's degree with minimum of 60% aggregate marks in Wildlife Science / Forestry /Environmental Science/Zoology / Life Science or related subjects with ≥ 1 year experience in relevant field.	Experience in wildlife conservation/ ecology / Application of wildlife related Software.	35 years	Field sampling for biodiversity profiling and assessing various Environmental parameters.
Establishment of Rescue and Rehabilitation	4.1	Veterinary officer	1	Rs. 43,700	Bachelor's degree in Veterinary Science with minimum of 60%	Master's Degree in Wildlife Sciences. Experience of rescue and	45 years	Candidate will manage rescue and rehabilitation programme

Centre along the Ganga River					aggregate marks and ≥ 1 year experience in subjects related to wildlife sciences.	rehabilitation or veterinary practices or teaching and research.		
Community Based Conservation Programmes for Species Restoration in Ganga River	5.1	Ecodevelopment Officer	1	Rs. 54,100	Masters in Sociology / Economics / Social Work with ≥ 10 years of experience in relevant field with special reference to community mobilization, liaison with line agencies and institutions.	Experience of working with local communities along the Ganga River.	50 years	Candidate will facilitate establishment of local level institutions and mobilize support for community based conservation.
	5.2	Community Officer	2	Rs. 32,000	Masters in Sociology / Economics / Social Work with ≥ 1 year experience in relevant field	Experience of working on livelihood issues of local communities along the Ganga River.	45 years	Candidate will assist the ecodevelopment officer and organize the sensitization workshops and mobilize support for community based conservation.
	5.3	Project Assistant Grade-II	2	Rs. 20,000	Bachelor's degree in subjects related to life sciences or humanities or social science.	Experience in conducting social survey and stakeholder analysis	30 Years	Candidate will conduct social surveys.
Nature Interpretation and Education for Biodiversity Conservation along Ganga River	6.1	Conservation Education Officer	1	Rs. 54,100	Master's degree in Architecture, Exhibition Design, Interior Design, or any subject related to designing exhibits with ≥ 2 experience in relevant field.	Experience of working with exhibitions	50 years	Candidate will establish Interpretation Centres, develop education material and exhibits for the interpretation centers.
	6.2	Extension Officer (Visual designer)	1	Rs. 42,000	Bachelor's degree in Visual Communication, Graphic Design, Fine Arts or related subject with ≥ 2 experience in relevant field.	Experience of graphic designing and working on designing software	45 years	Candidates will assist in designing exhibits.
	6.3	Extension Officer (Conservation Education)	1	Rs. 32,000	Master's degree in Environment Science or Environment Management, Wildlife Science or related subject with ≥ 1 year	Experience of working for nature conservation or related field.	45 years	Candidate will assist the project scientist in development and delivery of conservation education material.

					experience in relevant field.			
	6.4	Extension Officer (Extension)	1	Rs. 32,000	Master's Degree in Wildlife Science/ Environmental Science or Environment Management with ≥ 1 year experience in relevant field	Experience of working for nature conservation or related field.	45 years	Candidate will develop conservation education programme.
	6.5	Project Fellow	1	Rs. 32,000	Master's Degree in Wildlife Science/ Environmental Science or Management with ≥ 1 year experience in relevant field	Experience of developing awareness material related to nature conservation.	45 years	Candidate will assist in designing awareness material and exhibits.
	6.6	Project Assistant Grade II	1	Rs. 20,000	Bachelor's degree in any discipline with Diploma in Information Technology.	Experience in DTP and knowledge of Bengali typing	35 years	Candidate will assist the Project Scientist in providing researched information for exhibits and education material.
Conservation Action Plan for Sangai: An integrated approach	S1	Junior Conservation Officer	2	Rs. 32,000	M.Sc. in Wildlife Sciences / Forestry / Agronomy/ Environmental Science / Botany / Zoology / Life Sciences/Veterinary science or related subjects	Experience in conducting social survey and stakeholder analysis	35 years	Candidate will mobilize local communities for Sangai conservation in Manipur
	S2	Assistant Conservation officer – Animal Genetics	1	Rs. 32,000	M.Sc. in Wildlife Sciences / Zoology / Life Sciences/Veterinary science / Biotechnology or related subjects	Experience of genetic study of ungulates preferably cervids.	35 years	Candidate will screen the Sangai stocks for genetic constituents for reintroduction
NMCG-WII Project Management Unit	6.7	Office Manager	1	Rs. 40,000	Master's degree in any discipline with ≥ 5 years' experience in office management.	Knowledge of project management in conservation or Forestry related project. Experience of administrative procedures and rules and regulation.	45 years	Candidate will carry out administrative work related to office management and finance management for the project and remotely support the field activities with desk analysis.

* The serial number (Sl. No.) segregates posts based on the unique eligibility qualifications and MUST BE mentioned in the application form.

** Compensation for Medical & Accident Insurance, Telephone/Communication and Accommodation. No other allowance is applicable

*** Desirable qualifications are only indicative in nature.
