

RTI REQUEST DETAILS		
Registration No. :	WLIOI/R/T/21/00007	Date of Receipt : 17/12/2021
Transferred From :	Ministry of Environment, Forest and Climate Change on 17/12/2021 With Reference Number : MOENF/R/E/21/01496	
Remarks :	For point no. A-M	
Type of Receipt :	Electronically Transferred from Other Public Authority	Language of Request : English
Name :	Kavya Mehrishi	Gender : Female
Address :	Flat no 104 (A) Bhagirathi Apartment, 11 Old Survey Road. DEhradun, Uttarakhand, Pin:248001	
State :	Details not provided	Country : India
Phone No. :	+91-9717058414	Mobile No. : +91-9717058414
Email :	mehrishik@gmail.com	
Status(Rural/Urban) :	Urban	Education Status : Above Graduate
Letter No. :	Details not provided	Letter Date : Details not provided
Is Requester Below Poverty Line ? :	No	Citizenship Status Indian
Amount Paid :	10)	Mode of Payment Payment Gateway
Does it concern the life or Liberty of a Person ? :	No(Normal)	Request Pertains to : Monali Sen
Information Sought :	<p>A. Whether Ministry has formulated guidelines for identification of species under Wildlife Protection Act,1972? If yes, please provide details.</p> <p>B. Whether Wildlife Crime Investigation Manual (2013) is mandatorily used for investigation of offences/crimes under the Wildlife Protection Act 1972? If yes, then please provide details.</p> <p>C. List of Institutes/Labs authorised to identify species under the Wildlife Protection Act 1972?</p> <p>D. Whether private individuals/companies are permitted to use institutes/labs authorised for identification of species under the Wildlife Protection Act 1972? If yes, then please provide details.</p> <p>E. Whether private institutes/labs are permitted to conduct tests to identify species under the Wildlife Protection Act 1972?</p> <p>F. Whether morphology is used as a method of identification of species under the Wildlife Protection Act 1972?</p> <p>G. Whether DNA Testing is used as a method of identification of species under the Wildlife Protection Act 1972?</p> <p>H. Whether DNA testing has been conducted for identification of species under Wildlife Protection Act,1972?</p> <p>I. What is the annual capacity that your ministry has set for these institute/lab for testing pashmina/cashmere through DNA analysis method ? How many DNA analysis were done during the last 5 years in these labs/institutes?</p> <p>J. Whether DNA Testing is more conclusive a method of testing than</p>	

Morphology for identification of species under the Wildlife Protection Act 1972? If yes, then please provide details.

O. Whether your Ministry has issued any guidelines specifying the quantity, quality and composition of the percentage present of pashmina or shahtoosh wool in the thread used to weave the warp and weft of the tested Shawl? If yes, then please provide details.

K. Whether the Ministry has any guidelines regarding the composition and quantification of the percentage present of pashmina or shahtoosh wool in the tested samples for identification of particular kind species ? If yes, then please provide details.

L. Whether your ministry has set guidelines to conducts the testing on the threads used to weave the warp and weft of the pashmina/cashmere shawls? What techniques/method is used while conducting such test, please specify?

M. Whether your Ministry provide guidelines regarding publishing or disclosing various types of fibers tested and their content percentage?

Original RTI Text :

A. Whether Ministry has formulated guidelines for identification of species under Wildlife Protection Act,1972? If yes, please provide details.

B. Whether Wildlife Crime Investigation Manual (2013) is mandatorily used for investigation of offences/crimes under the Wildlife Protection Act 1972? If yes, then please provide details.

C. List of Institutes/Labs authorised to identify species under the Wildlife Protection Act 1972?

D. Whether private individuals/companies are permitted to use institutes/labs authorised for identification of species under the Wildlife Protection Act 1972? If yes, then please provide details.

E. Whether private institutes/labs are permitted to conduct tests to identify species under the Wildlife Protection Act 1972?

F. Whether morphology is used as a method of identification of species under the Wildlife Protection Act 1972?

G. Whether DNA Testing is used as a method of identification of species under the Wildlife Protection Act 1972?

H. Whether DNA testing has been conducted for identification of species under Wildlife Protection Act,1972?

I. What is the annual capacity that your ministry has set for these institute/lab for testing pashmina/cashmere through DNA analysis method ? How many DNA analysis were done during the last 5 years in these labs/institutes?

J. Whether DNA Testing is more conclusive a method of testing than Morphology for identification of species under the Wildlife Protection Act 1972? If yes, then please provide details.

O. Whether your Ministry has issued any guidelines specifying the quantity, quality and composition of the percentage present of pashmina or shahtoosh wool in the thread used to weave the warp and weft of the tested Shawl? If yes, then please provide details.

K. Whether the Ministry has any guidelines regarding the composition and quantification of the percentage present of pashmina or shahtoosh wool in the tested samples for identification of particular kind species ? If yes, then please provide details.

L. Whether your ministry has set guidelines to conducts the testing on the threads used to weave the warp and weft of the pashmina/cashmere shawls? What techniques/method is used while conducting such test, please specify?

M. Whether your Ministry provide guidelines regarding publishing or

disclosing various types of fibers tested and their content percentage?
