ORDER

Subject: Appeal under the RTI Act 2005 -reg.

The undersigned has gone through the First Appeal filed by Kumar Kalbande dated 27.07.2022 under the Right to Information Act, 2005 against his earlier RTI application dated 25.06.2022.

2. After examination of Appeal, it is found that the information related to Adhar Based Biometric Attendance is maintained by IT division of this Ministry. Therefore, the CPIO has forwarded the RTI application to CPIO (IT Division) for furnishing the requisite information sought by the applicant. The Appeal has been raised during this time. Therefore, the reply of the RTI was not furnished by CPIO. The CPIO has been directed to be prompt in reply, to the RTI and adhere to the prescribed timelines.

3. CPIO (IT Division) informed that Adhar Based Biometric Attendance has been installed in Ministry of Environment, Forest and Climate Change at Indra Paryavaran Bhawan, New Delhi. However, MoEF&CC has 22 attached/subordinate offices (list enclosed). The information pertaining to their Biometric data etc. is not maintained in the Ministry centrally. All these offices have designated CPIOs and Appellate Authorities. Appellant may ask requisite information by these Offices directly.

4. In response to query No. 1 regarding details of list of employees who have not marked attendance, the record is very bulky and has to be obtained from the portal and under the provision of Section 7 (9) of the RTI Act, 2005 cannot be provided since it falls in the category that the retrieval of such information will disproportionately divert the resource of the Public Authority. Therefore, the requisite information cannot be furnished by CPIO. The appeal is, accordingly, disposed off.
