Information Sought	Reply of WII
<p>This is in reference to the faculty recruitment advertisement that was done via Advt. WII/ADM/2022/39.</p> <p>TWO very important questions arise:</p> <p>1. On what basis has the Msc age limit decided since there is not much ruling about it. Also since these candidates are supposed to be faculty and dont have a doctorate then why is there is no NET/SLET/GATE criteria? Does this not diminish faculty quality? Especially since these candidates are below doctorate level.</p> <p>2. On what basis has the upper age limit for Phd holders decided? In all recruitments under DST/MOEFCC it is 35 years (attached)</p>	<p>The information sought by the applicant as per the institute's Recruitment Rules 2019 approved by Governing Body.</p>

In case, you are not satisfied with the aforesaid reply, you may appeal to the Appellate Authority as per details given below within 30 days from the date of receipt of this letter.
