

RTI REQUEST DETAILS

Registration No. :	WLIOI/R/T/24/00005	Date of Receipt :	04/01/2024
Transferred From :	National Centre for Sustainable Coastal Management on 04/01/2024 With Reference Number : NCSCM/R/T/23/00004		
Remarks :	RTI transferred to WII, Dehradun		
Type of Receipt :	Electronically Transferred from Other Public Authority	Language of Request :	English
Name :	KAPIL KUMAR	Gender :	Male
Address :	87 /84 CHOWK, 2 ND FLOOR VARDAN COMPLEX, PRAYAGRAJ, Pin:211003		
State :	Uttar Pradesh	Country :	India
Phone No. :	+91-7839453055	Mobile No. :	+91-7839453055
Email :	kapilroli@yahoo.com		
Status(Rural/Urban) :	Urban	Education Status :	Graduate
Letter No. :	Details not provided	Letter Date :	Details not provided
Is Requester Below Poverty Line ? :	No	Citizenship Status :	Indian
Amount Paid :	0 (RTI fee is received by National Institute of Ocean Technology (original recipient))	Mode of Payment :	Payment Gateway
Does it concern the life or Liberty of a Person ? :	No(Normal)	Request Pertains to :	
Information Sought :	<p>1. Please provide details on the Ecologically or biologically significant areas (EBSAs) listed in the Convention on Biological Diversity database within Indian territorial waters and Exclusive Economic Zone (EEZ), including their names, geographical coordinates, and ecological significance.</p> <p>2. Kindly furnish copies of the existing management plans and frameworks, if any, developed for each identified Ecologically or biologically significant areas. Include details on conservation measures, sustainable management practices, and any relevant guidelines in place.</p> <p>3. Include information on any stakeholder consultations, public participation, or involvement of local communities in the formulation or revision of management plans for these Ecologically or biologically significant areas. Provide the relevant documents recording such consultation.</p> <p>4. What specific agencies or bodies are responsible for overseeing the implementation of these management plans in Ecologically or biologically significant areas?</p> <p>5. How is the management of Ecologically or biologically significant areas different from the management of other marine and coastal ecosystems in India?</p>
