Dear Sir,
Warm greetings,
Thank you very much for offering me the position of Scientist-D at Wildlife Institute of India. It was a difficult decision to make, but, I have already joined in a position of Scientist-D at Zoological Survey of India, Kolkata and I would like to continue my assignment with ZSI. Once again, I would like to express my gratitude for the offer and my regrets that it did not work out.
Thanking you,

Yours sincerely,

Marimuthu N.

Annexure-3

It is submitted that three positions of Group A Scientists will be falling vacant during 2015 due to superannuation of existing three Scientists. The Reservation Roster Register in respect of Group A Scientific posts is at page No. 27-28/C.

The Requirement of reservation and Filled up position in WII are as under:

General		OBC		SC		ST		PWD	
No. of posts	Filled up	No. of posts	Filled up	No. of posts	Filled up	No. of posts	Filled up	No. of posts	Filled
16	23	7	4	4	2	2	1	1	1*

*The recruitment process for appointment of PWD candidate has been completed and the candidate is likely to join the duty shortly.

As per reservation policy of Govt. of India, there is a shortfall of reservation in respect of Group A Scientist Cadre.

As per rule 4.3 of reservation brochure in respect of SC/ST/OBC (vide 25/C) it is clarified that while filling of vacancies in a years, efforts shall be made to make up the shortfall of reservation for SC/ST/OBC subject to the condition that total number of reserved vacancies is not more than 50% of the vacancies of the year.

It is submitted that there is a shortfall of reservation in respect of SC/ST/OBC in respect of DR quota of Group A Scientists. Hence, these posts required to be filled as under:

1. One vacancy - OBC Category
2. Two vacancies - Unreserved category

Rule 6.1.2 of Recruitment and Assessment Promotions Rules for Group A Scientific Posts (Vide 20/c) provides that normally the recruitment be made at the level of Scientist C. Whenever need exists the recruitment at other levels can be made on s specific request from the Director and with the prior approval of the Chairman, Governing Body.

It is submitted that Dr. P.K.Mathur, Dean, who is due to retire on superannuation on 30.09.2015, is holding higher position as he was appointed on Direct Recruitment post during March 1999 in Scientist F grade. It is submitted that out of three vacancies one is to be reserved for OBC and remaining two vacancies are for Un-reserved category.

If approved a proposal may be submitted to Chairman, Governing Body for approval.

Submitted for approval please.

Kindly see the remarks of Dean, FWS on the application of Dr. Sanath Krishna, M.K. dated 07.09.2015 regarding consideration of his candidature for the DR post of Scientist-D. In the said application, Dr. Sanath is indicating the Recruitment Rules of CSIR wherein the candidates having Masters Degree in Veterinary Science requires 5 years experience for the post of Scientist-D and in our advertisement the experience sought is 7 years after M.Sc degree.

It is submitted that the Institute RRs have been framed on the lines of CSIR which have been duly approved by the Institute's Governing Body and the recruitments are being made on the basis of approved RRs. Our advertisement for Scientist-D DR post has been issued in accordance with the approved RRs of the Institute.

'AA'

In view of the above the candidature of all the candidates shall be considered in accordance with WII RRs and not on the basis of CSIR RRs. The individual (Dr. Sanath) may be informed accordingly. A draft reply letter has been prepared and submitted for approval please.

Dated: 10th September, 2015

Sub: Minutes of the meeting of Pre-Screening Committee for Shortlisting of applications for Direct Recruitment of Scientist-D – regarding.

The Pre-Screening Committee for shortlisting of applications for the post of Scientist-D on Direct Recruitment Basis was constituted vide Office Order No. WII/ADM/2015-16/01 Dated 26th August, 2015.

The mandate of Pre-Screening Committee was to examine all the applications received and to submit its recommendations to the Screening Committee. The Pre-Screening Committee met on 8th, 9th and 10th September, 2015. The following were present:

1. Shri P.K. Aggarwal, Administrative Officer
2. Shri K.K. Shrivastava, Editor, TG-IV (6)
3. Smt. Vikreshwari Dangwal, TG-IV (3)

It was noted that the advertisement for the post of Scientist-D in PB-3 (Rs. 15,600-39,100) with Grade Pay of Rs.7,600/- was published for 03 posts as under:

Scientist-D - 03 posts
(02 for UR category and 01 for OBC Category).

Against the above, advertised posts, the applications by the due date and time (07.09.2015 upto 1700 hrs.) were received as under:-

Sl.No.	Name of Post	Category	Total No. of Applications Received
1.	Scientist-D	UR	43
2.	-do-	OBC	15

The Pre-Screening Committee went through the vacancy advertisement along with Essential Qualifications, Experience, Age, Caste Certificates etc. for Direct Recruitment of Scientist-D.

It was noted that the advertisement was published in Hindu (all editions) and Hindustan Times (Delhi edition) and was also hosted on Institute's website. Last date of receipt of applications was 07.09.2015. The Pre-Screening Committee examined all the applications received within the due date.

Methodology adopted by the Pre-Screening Committee for Shortlisting the Applications for the post of Scientist-D on Direct Recruitment:

The Pre-Screening Committee adopted the following criteria for pre-screening of applications –

(i) **Age:** Age as on last date of receipt of applications i.e. 07.09.2015 was considered in respect of all categories of applicants and relaxation in age as per advertised criteria/government norms was allowed.

(ii) **Experience:** A minimum of 7 years after M.Sc. and 4 years after Ph.D. was considered for eligibility under this category.

It was considered by the Pre-Screening Committee that in respect of candidates having M.Sc. Degree, the period spent on Ph.D for research work may be considered as experience. In case of candidates who have been awarded Ph.D. degree, the experience was considered from the date of award of the Ph.D.

It was also noted by the Pre-Screening Committee that in accordance with Rule 6.3.5 of the Recruitment Rules, period spent in wildlife research will be counted towards experience. Hence, this point needs to be considered by the Screening Committee.

(iii) **OBC Certificate for Non-Creamy Layer**: The OBC certificate provided by the candidates issued during last one year was considered by the Pre-Screening Committee. In case of non-submission of OBC certificate and submission of old certificate, their candidature was not considered by the Pre-Screening Committee. It is proposed that the candidates may be informed to produce the latest original OBC certificate at the time of interview, failing which their candidature will not be considered by the Institute.

(4) **Recommendations of Pre-Screening Committee**: After going through the advertisement and eligibility criteria for the above positions and methodology adopted as mentioned above, the recommendations of the Pre-Screening Committee are as under:

(i) Scientist D (Pay Band-3) Grade Pay-7600 (For UR category):

A total of 43 applications were received for the post of Scientist-D within the due date.

After scrutiny of the applications, the Pre-Screening Committee found that 22 candidates fulfill the eligibility criteria, hence, are recommended for shortlisting as per details given in **Annexure-1.1**. In case of candidate at S.No. 22 and application No. 38, the same may be decided by the main Screening Committee because of length of experience in the relevant field is not clear. The Pre-Screening Committee found that 20 applicants do not fulfill the eligibility criteria, hence not recommended for short listing. Details of such candidates are given in **Annexure-1.2**.

(ii) Scientist D (Pay Band-3) Grade Pay-7600 (For OBC Category):

A total of 15 applications were received for the post of Scientist-D for OBC Category within the due date.

After scrutiny of the applications, the Pre-Screening Committee found that 08 candidates fulfill the eligibility criteria, hence, are recommended for shortlisting as per details given in **Annexure-1.3**. Committee found that 07 applicants do not fulfill the eligibility criteria, hence not recommended for short listing. Details of such candidates are given in **Annexure-1.4**.

The above recommendations of Pre-Screening Committee are submitted for consideration of the Screening Committee.

It is also stated that the last date of receipt of application in respect of applicants from abroad and from those in the Andaman & Nicobar Islands, Lakshadweep, State/Union Territories in the North Eastern Region, Ladakh division of the Jammu & Kashmir State, Sikkim, Panaji Sub-division of Chamba, Lahaul & Spiti Districts of Himachal Pradesh is 14.09.2015. It is proposed that the applications received from these areas also to be considered for screening their applications.

Minutes of Screening Committee for Direct Recruitment of Scientist-D held on 11.09.2015

The Screening Committee as constituted by the Office Order No. WII/ADM/2015-16/01 dated 9th September 2015 met on 11th September 2015 at 10.00 AM in the Board Room of Wildlife Institute of India. The following were present:

1.	Dr. P.K. Mathur Dean FWS, WII	:	Chairman
2.	Dr. V.R.S. Rawat Scientist-F, ICFRE	:	Member
3.	Dr. V.P. Uniyal Scientist-F, WII	:	Member

The Screening Committee perused the report of Pre-Screening Committee given vide **page 14-16/N**.

In accordance with the Recruitment and Assessment Promotion Rules for Group-A Scientist-2010 and the advertisement issued by the Institute for Direct Recruitment of Scientist-D in Pay Band-3 (Rs. 15600-39100) with Grade Pay of Rs. 7600 (02 post for UR Category and 01 post for OBC Category, it was noted by the Screening Committee that as per Recruitment Rules, the following is the eligibility criteria for Recruitment of Scientist-D on Direct Recruitment Basis.

Sl. No.	Name of the post	Qualification and Disciplines	Experience in required areas	Age limit not exceeding
1.	Scientist-D	Master Degree in Wildlife Science/Life Sciences/ Computer Science/ Veterinary Sciences.	7 years	35 years
		OR		
		Ph.D in any of the above fields.	4 years	38 years

The Committee noted that as per Rule 6.3.5 of the Recruitment Rules, the period of experience in the requisite discipline/area of work shall be counted with effect from the date of acquiring the prescribed minimum educational qualifications required for that grade. Period spent in wildlife research will be counted towards experience.

It was noted by the Screening Committee that as per advertisement, the period of experience in the requisite discipline/area of work shall be counted with effect from the date of acquiring the prescribed minimum educational qualifications required for the post. Period spent in wildlife research/conservation/training and management will be counted towards experience. In view of this, relevant field of experience of the candidates was considered by the Screening Committee as advertised.

11/9/2015

The Screening Committee carried out the screening of applications on the basis of recruitment rules for the post of the Scientist-D and examined the vacancy advertisement, essential qualifications, experience required, caste certificates for various categories of employees and age in accordance with the various categories of employees.

The following are the recommendations of the Screening Committee:

2. Scientist D (Pay Band-3, Rs. 15600-39100) Grade Pay-7600:

(a) For UR category:

43 applications were received for Scientist-D (UR Category) within the due date (7.9.2015) and out of them 23 candidates were shortlisted. On examination of documents provided by the candidates, it was noted that the following candidates were recommended for short listing by the Pre-Screening Committee are not having required eligibility criteria, hence, were rejected by the Screening Committee:

Sl. No.	Name of Candidate	Application No.
(i)	Dr. Sandeep Sharma	06
(ii)	Mr. Amit Sarkar	10
(iii)	Mr. Durga Dutta Sharma	15
(iv)	Dr. Hem Chander	32

Further, the following candidates which were not recommended by the Pre-Screening Committee, were short listed by the Screening Committee as they are fulfilling the eligibility criteria:

Sl. No.	Name of Candidate	Application No.
(i)	Mr. Pranav Chanchani	11
(ii)	Dr. Trishem Kumar Kaushik	31
(iii)	Dr. Jayaseeian Benjamin Franklin	35
(iv)	Mr. Navendu Vinayak Page	40

In case of the following candidate, Screening Committee observed that the candidate has submitted her revised bio data relating to her experience vide her email dated 10th Septembr, 2015.

Sl. No.	Name of Candidate	Application No.
(i)	Dr. Malvika Onial	38

On examination of the details of experience provided in the revised biodata vide her email dated 10.09.2015, Screening Committee shortlisted the above candidate as she meets the criteria for required experience of four years after Ph.D.

11/9/15

The list of 23 short listed candidates by the Screening Committee is placed at **Annexure-A (page 216/c to 206/c)**. Committee did not shortlist 20 candidates as they did not fulfill the eligibility criteria, list of such candidates is placed at **Annexure-B (page 205/c to 195/c)**.

(b) For OBC category:

15 applications were received for Scientist-D (OBC Category) within the due date (7.9.2015) and out of them 08 candidates were shortlisted and 07 candidates were not short listed by the Pre-Screening Committee. On examination of documents provided by the candidates, the following candidates which were not recommended by the Pre-Screening Committee were short listed by the Screening Committee as they are fulfilling the eligibility criteria:

Sl. No.	Name of Candidate	Application No.
(i)	Mr. Mriganka Shekhar Sarkar	11
(ii)	Dr. Ponnusamy Sathiya Selvam	15

In view of the above stated position, 10 candidates were short listed by the Screening Committee. Details of such screened-in candidates are provided as per **Annexure-C (page 194/c to 187/c)**. Committee did not shortlist 05 candidates as they did not fulfill the eligibility criteria, list of such candidates is placed at **Annexure-D (page 186/c to 184/c)**.

Screening Committee further noted that the last date of receipt of applications in case of applicants from abroad and from those in the Andaman & Nicobar Islands, Lakshadweep, State/Union Territories in the North Eastern Region, Ladakh division of the Jammu & Kashmir State, Sikkim, Panaji Sub-division of Chamba, Lahaul & Spiti Districts of Himachal Pradesh **is 14.09.2015.** It was decided that the Screening Committee Meeting may be convened on 16th September, 2015 at 1100 hrs to consider the applications, if any, received from above places.

Considering the fact that applicants have been short listed based on screening of applications as per the eligibility criteria laid down in the advertisement, it would be desirable to short list further these candidates based on written/objective test. A meeting to discuss and finalize the written/object test paper will be on Tuesday the 22nd September, 2015 at 1130 hrs in the Board Room.

In Summary the following are the recommendations of the Screening Committee:-

(i) 23 Candidates under Unreserved Category are shortlisted as per **Annexure-A** and 20 candidates are rejected as per **Annexure-B**.

(ii) 10 Candidates under OBC Category (Non-creamy) are shortlisted as per **Annexure-C** and 05 candidates are rejected as per **Annexure-D**.

(iii) The Screening Committee needs to meet on 16th September, 2015 so as to consider applications received by the last date of receipt of applications **i.e 14.09.2015** from abroad and those from Andaman &

In accordance with the recommendations of the Screening Committee, 23 candidates for UR category and 10 candidates for OBC category were called for written test on 24th September 2015. The written test was conducted on the basis of question paper prepared by the Screening Committee. The test was of two hours duration having 60 objective type questions. Each question was of 01 marks and there was a negative marking of 0.25 marks for each wrong answer. Out of 23 candidates, 22 candidates in Un-Reserved Category and all 10 candidates in OBC Category appeared for written test on 24.09.215.

The Examination Paper Evaluation Committee and the Screening Committee examined the answer sheets of all the candidates who had appeared for the test. As per conditions laid down in the advertisement and in accordance with the recommendations of the Screening Committee, the top 20 candidates in UR Category and 10 candidates in OBC Category were called for interview on 25th and 26th September, 2015. The list of such candidates called for interview is placed at **page 259-258/c**.

The Institute's Committee for Selection and Assessment Promotion (ICSAP) constituted with the approval of Chairman, Governing Body & Secretary (E,F&CC) placed at **page 264-263/c** met on 25-26 September 2015 and interviewed the candidates. Sub: Direct Recruitment to the post of Scientist D in Wildlife Institute of India, Dehradun-reg.

1. The Joint Director (Wildlife), MoEFCC vide letter No 22-10/2015-WL dated 12th June 2017 (**vide page 292/c**) has conveyed that the recruitment of Dr. (Mrs.) Malvika Onial to the position of Scientist D, duly recommended by the Institute's Committee for Selection, Assessment and Promotion (ICSAP) under the chairmanship of Former Additional Director (Wildlife), MoEFCC may be cancelled on two grounds. In this connection, the following facts are submitted for kind consideration:

   1.1 In the said MoEFCC letter it is stated that on the closing date prescribed for receipt of application i.e. 07.09.2015 Dr. Malvika's age was more than 35 years. It is stated that Dr. Malvika Onial's date of birth is 27 December 1977 (**page 291/c**). As per WII Recruitment Rules (**page 278/c) (Flag-A**) the age limit for a candidate with a doctorate degree is 38 years and with a Masters' degree is 35 years. Thus on the last date of receipt of application i.e. 07.09.2015, she was 37 years 8 months and 10 days old and thus covered under the age limit prescribed under the WII Recruitment Rules land therefore she fulfills the age requirement for recruitment as Scientist-D.

   1.2 Further in the said MoEFCC letter it is stated that Dr. (Mrs.) Malvika Onial did not possess a minimum 4 years experience in wildlife research from the date of acquiring Ph.D. and therefore she does not fulfill essential requirements for appointment to the post of Scientist D. In this connection it is stated that Dr. (Mrs.) Malvika Onial obtained her doctorate degree from University of Cambridge, United Kingdom on 15.3.2011 **(page 291/c).** She has provided the details of experience totaling 4 years 1 month and 15 days as indicated below:

Period	Duration	Position	Nature of duties	Remarks
20 June to 31 July 2011	1 month and 12 days	Professional Associate and Consultant, Biodiversity Consultancy, Cambridge	Research on biodiversity conservation and development	Copy of invoice attached (**page 287/c**)
1 August to 11 October 2011	2 months and 12 days	Professional Associate and Consultant, Biodiversity Consultancy, Cambridge	Research on biodiversity conservation and development	Copy of invoice attached (**page 286/c**)

15 November 2011 to 21 March 2013	16 months and 6 days	Research Associate, Nature Science Initiative, Dehradun	Developing training and research programmes in natural resource conservation	Copy of certificate attached (**page 285/c**)
22 March 2013 to 30 September 2014	18 months and 8 days	Consultant, Wildlife Institute of India, Dehradun	Preparation of India's Fifth National Report to the CBD and Updating the NBAP	Copy of certificate attached (**page 284/c**)
1 October 2014 till date of closing of receipt of application i.e. 07.09.2015	11 months and 7 days	Scientist, UNESCO C2C at Wildlife Institute of India, Dehradun	Fulfilling the core mandates of UNESCO C2C at WII	Copy of certificate attached (**page 283/c**)

1.3 It is evident that Dr. (Mrs.) Malvika Onial meets the eligibility conditions prescribed for both age and experience and has attached documentary proof. However, a question has been raised in respect of nature of experience and the documentary proof attached. In this connection it is stated that Dr. (Mrs.) Malvika Onial has worked in the area of biodiversity conservation in various capacities such as (a) Professional Associate and Consultant at Biodiversity Consultancy, Cambridge; (b) Research Associate, Nature Science Initiative, Dehradun; (c) Consultant and Scientist at WII, the details of which are given below:

S. No.	Organization	Duration		Remarks
		Months	Days	
1	Wildlife Institute of India (WII)	29	15	Certificate provided by WII
2	Nature Science Institution (NSI)	16	6	Certificate provided by NSI
3	The Biodiversity Consultancy Limited (BCL), Cambridge	03	24	Only payment Invoice have been provided, but no experience certificate
	Total	**48**	**45**	

or Four years one month and 15 days.

For a period of 3 months and 24 days that she worked as a Consultant at Biodiversity Consultancy, Cambridge she has not provided Experience Certificate but only payment invoices (**page 287-286/c**).

1.4 In the above context, it is stated that WII Recruitment Rules under Para 11 states that (**page 288/c**) (**Flag-B**) '*Interpretation*' *viz.* 'Any question relating to interpretation of Rules shall be decided by the Chairman, Governing Body'. It is proposed that under these provision the Chairman, WII-Governing Body may kindly accept the period of working at Biodiversity Consultancy, UK for a period of 3 months and 24 days as work experience as this work relates to biodiversity conservation only.

1.5 It is stated that Dr. (Mrs.) Malvika Onial has an outstanding academic record having obtained a Gold Medal in M.Sc. Environmental Biology from University of Delhi; Distinction in M.Sc. Environmental Assessment from London School of Economics & Political Science, UK and a Ph.D. in Conservation Biology, from the University of Cambridge, UK. Besides this, she has 2 published papers in the prestigious journal SCIENCE, having an Impact Factor of 33.61. Her brief CV is placed at **page 275-274/c**.

1.6 In this context, it is stated that this issue has been triggered by 2 RTI complaints, which on due examination have been found to be totally '*fictitious*'. In one case the RTI complaint *viz. by one* Shri Gopal Kumar Gupta has been lodged from a '*place of workshop/ dharamshala*' in Kankhal, Haridwar and the other one from Shri Mohd. Shakeen, Majra Dehradun and in this case the information provided by the Institute under RTI has come back as '*address incomplete*' (**page 273-272/c**). It is apparent that these fake RTI complaints have been made to malign the reputation of the Institute and need no further cognizance.

It is proposed that Chairman, WII-Governing Body may kindly accept the recommendation of the WII-ICSAP for appointment of 3 candidates as Scientist-D *viz.* Dr. (Mrs.) Malvika Onial, Dr. Sutirtha Dutta and Dr. N. Marimuthu placed at **page 270-269/c** and summarized at **page 28-29/n**. It is stated that WII-ICSAP is chaired by Shri Vinod Rishi, Former Additional Director General (Wildlife), MoEFCC & Former Director, IGNFA and the IG (WL) is the MoEFCC representative in WII-ICSAP.

Submitted for kind perusal and approval, please.

Kindly see the remarks of Dean, FWS on the application of Dr. Sanath Krishna, M.K. dated 07.09.2015 regarding consideration of his candidature for the DR post of Scientist-D. In the said application, Dr. Sanath is indicating the Recruitment Rules of CSIR wherein the candidates having Masters Degree in Veterinary Science requires 5 years experience for the post of Scientist-D and in our advertisement the experience sought is 7 years after M.Sc degree.

It is submitted that the Institute RRs have been framed on the lines of CSIR which have been duly approved by the Institute's Governing Body and the recruitments are being made on the basis of approved RRs. Our advertisement for Scientist-D DR post has been issued in accordance with the approved RRs of the Institute.

1.	Scientist-D	UR	43
2.	-do-	OBC	15

The Pre-Screening Committee went through the vacancy advertisement along with Essential Qualifications, Experience, Age, Caste Certificates etc. for Direct Recruitment of Scientist-D.

It was noted that the advertisement was published in Hindu (all editions) and Hindustan Times (Delhi edition) and was also hosted on Institute's website. Last date of receipt of applications was 07.09.2015. The Pre-Screening Committee examined all the applications received within the due date.

Methodology adopted by the Pre-Screening Committee for Shortlisting the Applications for the post of Scientist-D on Direct Recruitment:

The Pre-Screening Committee adopted the following criteria for pre-screening of applications –

(i) **Age:** Age as on last date of receipt of applications i.e. 07.09.2015 was considered in respect of all categories of applicants and relaxation in age as per advertised criteria/government norms was allowed.

(ii) **Experience:** A minimum of 7 years after M.Sc. and 4 years after Ph.D. was considered for eligibility under this category.

It was considered by the Pre-Screening Committee that in respect of candidates having M.Sc. Degree, the period spent on Ph.D for research work may be considered as experience. In case of candidates who have been awarded Ph.D. degree, the experience was considered from the date of award of the Ph.D.

It was also noted by the Pre-Screening Committee that in accordance with Rule 6.3.5 of the Recruitment Rules, period spent in wildlife research will be counted towards experience. Hence, this point needs to be considered by the Screening Committee.

(iii) **OBC Certificate for Non-Creamy Layer**: The OBC certificate provided by the candidates issued during last one year was considered by the Pre-Screening Committee. In case of non-submission of OBC certificate and submission of old certificate, their candidature was not considered by the Pre-Screening Committee. It is proposed that the candidates may be informed to produce the latest original OBC certificate at the time of interview, failing which their candidature will not be considered by the Institute.

(4) **Recommendations of Pre-Screening Committee**: After going through the advertisement and eligibility criteria for the above positions and methodology adopted as mentioned above, the recommendations of the Pre-Screening Committee are as under:

(i) Scientist D (Pay Band-3) Grade Pay-7600 (For UR category):

A total of 43 applications were received for the post of Scientist-D within the due date.

After scrutiny of the applications, the Pre-Screening Committee found that 22 candidates fulfill the eligibility criteria, hence, are recommended for shortlisting as per details given in **Annexure-1.1**. In case of candidate at S.No. 22 and application No. 38, the same may be decided by the main Screening Committee because of length of experience in the relevant field is not clear. The Pre-Screening Committee found that 20 applicants do not fulfill the eligibility criteria, hence not recommended for short listing. Details of such candidates are given in **Annexure-1.2**.

(ii) Scientist D (Pay Band-3) Grade Pay-7600 (For OBC Category):

A total of 15 applications were received for the post of Scientist-D for OBC Category within the due date.

After scrutiny of the applications, the Pre-Screening Committee found that 08 candidates fulfill the eligibility criteria, hence, are recommended for shortlisting as per details given in **Annexure-1.3**. Committee found that 07 applicants do not fulfill the eligibility criteria, hence not recommended for short listing. Details of such candidates are given in **Annexure-1.4.**

The above recommendations of Pre-Screening Committee are submitted for consideration of the Screening Committee.

It is also stated that the last date of receipt of application in respect of applicants from abroad and from those in the Andaman & Nicobar Islands, Lakshadweep, State/Union Territories in the North Eastern Region, Ladakh division of the Jammu & Kashmir State, Sikkim, Panaji Sub-division of Chamba, Lahaul & Spiti Districts of Himachal Pradesh is 14.09.2015. It is proposed that the applications received from these areas also to be considered for screening their applications.

1.	Scientist-D	Master Degree in Wildlife Science/Life Sciences/ Computer Science/ Veterinary Sciences.	7 years	35 years
		OR		
		Ph.D in any of the above fields.	4 years	38 years

The Committee noted that as per Rule 6.3.5 of the Recruitment Rules, the period of experience in the requisite discipline/area of work shall be counted with effect from the date of acquiring the prescribed minimum educational qualifications required for that grade. Period spent in wildlife research will be counted towards experience.

It was noted by the Screening Committee that as per advertisement, the period of experience in the requisite discipline/area of work shall be counted with effect from the date of acquiring the prescribed minimum educational qualifications required for the post. Period spent in wildlife research/conservation/training and management will be counted towards experience. In view of this, relevant field of experience of the candidates was considered by the Screening Committee as advertised.

11/9/2015

The Screening Committee carried out the screening of applications on the basis of recruitment rules for the post of the Scientist-D and examined the vacancy advertisement, essential qualifications, experience required, caste certificates for various categories of employees and age in accordance with the various categories of employees.

The following are the recommendations of the Screening Committee:

2. Scientist D (Pay Band-3, Rs. 15600-39100) Grade Pay-7600:

(a) For UR category:

43 applications were received for Scientist-D (UR Category) within the due date (7.9.2015) and out of them 23 candidates were shortlisted. On examination of documents provided by the candidates, it was noted that the following candidates were recommended for short listing by the Pre-Screening Committee are not having required eligibility criteria, hence, were rejected by the Screening Committee:

Sl. No.	Name of Candidate	Application No.
(i)	Dr. Sandeep Sharma	06
(ii)	Mr. Amit Sarkar	10
(iii)	Mr. Durga Dutta Sharma	15
(iv)	Dr. Hem Chander	32

Further, the following candidates which were not recommended by the Pre-Screening Committee, were short listed by the Screening Committee as they are fulfilling the eligibility criteria:

Sl. No.	Name of Candidate	Application No.
(i)	Mr. Pranav Chanchani	11
(ii)	Dr. Trishem Kumar Kaushik	31
(iii)	Dr. Jayaseeian Benjamin Franklin	35
(iv)	Mr. Navendu Vinayak Page	40

In case of the following candidate, Screening Committee observed that the candidate has submitted her revised bio data relating to her experience vide her email dated 10th Septembr, 2015.

Sl. No.	Name of Candidate	Application No.
(i)	Dr. Malvika Onial	38

On examination of the details of experience provided in the revised biodata vide her email dated 10.09.2015, Screening Committee shortlisted the above candidate as she meets the criteria for required experience of four years after Ph.D.

11/9/15

The list of 23 short listed candidates by the Screening Committee is placed at **Annexure-A (page 216/c to 206/c)**. Committee did not shortlist 20 candidates as they did not fulfill the eligibility criteria, list of such candidates is placed at **Annexure-B (page 205/c to 195/c)**.

(b) For OBC category:

15 applications were received for Scientist-D (OBC Category) within the due date (7.9.2015) and out of them 08 candidates were shortlisted and 07 candidates were not short listed by the Pre-Screening Committee. On examination of documents provided by the candidates, the following candidates which were not recommended by the Pre-Screening Committee were short listed by the Screening Committee as they are fulfilling the eligibility criteria:

Sl. No.	Name of Candidate	Application No.
(i)	Mr. Mriganka Shekhar Sarkar	11
(ii)	Dr. Ponnusamy Sathiya Selvam	15

In view of the above stated position, 10 candidates were short listed by the Screening Committee. Details of such screened-in candidates are provided as per **Annexure-C (page 194/c to 187/c)**. Committee did not shortlist 05 candidates as they did not fulfill the eligibility criteria, list of such candidates is placed at **Annexure-D (page 186/c to 184/c)**.

Screening Committee further noted that the last date of receipt of applications in case of applicants from abroad and from those in the Andaman & Nicobar Islands, Lakshadweep, State/Union Territories in the North Eastern Region, Ladakh division of the Jammu & Kashmir State, Sikkim, Panaji Sub-division of Chamba, Lahaul & Spiti Districts of Himachal Pradesh **is 14.09.2015.** It was decided that the Screening Committee Meeting may be convened on 16th September, 2015 at 1100 hrs to consider the applications, if any, received from above places.

Considering the fact that applicants have been short listed based on screening of applications as per the eligibility criteria laid down in the advertisement, it would be desirable to short list further these candidates based on written/objective test. A meeting to discuss and finalize the written/object test paper will be on Tuesday the 22nd September, 2015 at 1130 hrs in the Board Room.

In Summary the following are the recommendations of the Screening Committee:-

(i) 23 Candidates under Unreserved Category are shortlisted as per **Annexure-A** and 20 candidates are rejected as per **Annexure-B**.

Dated 1st August, 2017

Sub: Direct Recruitment to the post of Scientist D in Wildlife Institute of India, Dehradun-reg.

1. The Joint Director (Wildlife), MoEFCC vide letter No 22-10/2015-WL dated 12th June 2017 (**vide page 292/c**) has conveyed that the recruitment of Dr. (Mrs.) Malvika Onial to the position of Scientist D, duly recommended by the Institute's Committee for Selection, Assessment and Promotion (ICSAP) under the chairmanship of Former Additional Director (Wildlife), MoEFCC may be cancelled on two grounds. In this connection, the following facts are submitted for kind consideration:

   1.1 In the said MoEFCC letter it is stated that on the closing date prescribed for receipt of application i.e. 07.09.2015 Dr. Malvika's age was more than 35 years. It is stated that Dr. Malvika Onial's date of birth is 27 December 1977 (**page 291/c**). As per WII Recruitment Rules (**page 278/c) (Flag-A**) the age limit for a candidate with a doctorate degree is 38 years and with a Masters' degree is 35 years. Thus on the last date of receipt of application i.e. 07.09.2015, she was 37 years 8 months and 10 days old and thus covered under the age limit prescribed under the WII Recruitment Rules land therefore she fulfills the age requirement for recruitment as Scientist-D.

   1.2 Further in the said MoEFCC letter it is stated that Dr. (Mrs.) Malvika Onial did not possess a minimum 4 years experience in wildlife research from the date of acquiring Ph.D. and therefore she does not fulfill essential requirements for appointment to the post of Scientist D. In this connection it is stated that Dr. (Mrs.) Malvika Onial obtained her doctorate degree from University of Cambridge, United Kingdom on 15.3.2011 **(page 291/c).** She has provided the details of experience totaling 4 years 1 month and 15 days as indicated below:

Period	Duration	Position	Nature of duties	Remarks
20 June to 31 July 2011	1 month and 12 days	Professional Associate and Consultant, Biodiversity Consultancy, Cambridge	Research on biodiversity conservation and development	Copy of invoice attached (**page 287/c**)
1 August to 11 October 2011	2 months and 12 days	Professional Associate and Consultant, Biodiversity Consultancy, Cambridge	Research on biodiversity conservation and development	Copy of invoice attached (**page 286/c**)

15 November 2011 to 21 March 2013	16 months and 6 days	Research Associate, Nature Science Initiative, Dehradun	Developing training and research programmes in natural resource conservation	Copy of certificate attached (**page 285/c**)
22 March 2013 to 30 September 2014	18 months and 8 days	Consultant, Wildlife Institute of India, Dehradun	Preparation of India's Fifth National Report to the CBD and Updating the NBAP	Copy of certificate attached (**page 284/c**)
1 October 2014 till date of closing of receipt of application i.e. 07.09.2015	11 months and 7 days	Scientist, UNESCO C2C at Wildlife Institute of India, Dehradun	Fulfilling the core mandates of UNESCO C2C at WII	Copy of certificate attached (**page 283/c**)

1.3 It is evident that Dr. (Mrs.) Malvika Onial meets the eligibility conditions prescribed for both age and experience and has attached documentary proof. However, a question has been raised in respect of nature of experience and the documentary proof attached. In this connection it is stated that Dr. (Mrs.) Malvika Onial has worked in the area of biodiversity conservation in various capacities such as (a) Professional Associate and Consultant at Biodiversity Consultancy, Cambridge; (b) Research Associate, Nature Science Initiative, Dehradun; (c) Consultant and Scientist at WII, the details of which are given below:

S. No.	Organization	Duration		Remarks
		Months	Days	
1	Wildlife Institute of India (WII)	29	15	Certificate provided by WII
2	Nature Science Institution (NSI)	16	6	Certificate provided by NSI
3	The Biodiversity Consultancy Limited (BCL), Cambridge	03	24	Only payment Invoice have been provided, but no experience certificate

or Four years one month and 15 days.

For a period of 3 months and 24 days that she worked as a Consultant at Biodiversity Consultancy, Cambridge she has not provided Experience Certificate but only payment invoices (**page 287-286/c**).

1.4 In the above context, it is stated that WII Recruitment Rules under Para 11 states that (**page 288/c**) (**Flag-B**) '*Interpretation*' *viz.* 'Any question relating to interpretation of Rules shall be decided by the Chairman, Governing Body'. It is proposed that under these provision the Chairman, WII-Governing Body may kindly accept the period of working at Biodiversity Consultancy, UK for a period of 3 months and 24 days as work experience as this work relates to biodiversity conservation only.

1.5 It is stated that Dr. (Mrs.) Malvika Onial has an outstanding academic record having obtained a Gold Medal in M.Sc. Environmental Biology from University of Delhi; Distinction in M.Sc. Environmental Assessment from London School of Economics & Political Science, UK and a Ph.D. in Conservation Biology, from the University of Cambridge, UK. Besides this, she has 2 published papers in the prestigious journal SCIENCE, having an Impact Factor of 33.61. Her brief CV is placed at **page 275-274/c**.

1.6 In this context, it is stated that this issue has been triggered by 2 RTI complaints, which on due examination have been found to be totally '*fictitious*'. In one case the RTI complaint *viz. by one* Shri Gopal Kumar Gupta has been lodged from a '*place of workshop/ dharamshala*' in Kankhal, Haridwar and the other one from Shri Mohd. Shakeen, Majra Dehradun and in this case the information provided by the Institute under RTI has come back as '*address incomplete*' (**page 273-272/c**). It is apparent that these fake RTI complaints have been made to malign the reputation of the Institute and need no further cognizance.

It is proposed that Chairman, WII-Governing Body may kindly accept the recommendation of the WII-ICSAP for appointment of 3 candidates as Scientist-D *viz.* Dr. (Mrs.) Malvika Onial, Dr. Sutirtha Dutta and Dr. N. Marimuthu placed at **page 270-269/c** and summarized at **page 28-29/n**. It is stated that WII-ICSAP is chaired by Shri Vinod Rishi, Former Additional Director General (Wildlife), MoEFCC & Former Director, IGNFA and the IG (WL) is the MoEFCC representative in WII-ICSAP.

Dear Sir,
Warm greetings,
Thank you very much for offering me the position of Scientist-D at Wildlife Institute of India. It was a difficult decision to make, but, I have already joined in a position of Scientist-D at Zoological Survey of India, Kolkata and I would like to continue my assignment with ZSI. Once again, I would like to express my gratitude for the offer and my regrets that it did not work out.
Thanking you,

Yours sincerely,

Marimuthu N.

Sir,

With reference to the above, the u/s would like to place facts and documents related to the case for consideration of the Chairman, WII-Governing Body & Secretary (E,F &CC). However, the file related to direct recruitment to the post of Scientist D is with the Wildlife Division of MoEFCC. I would therefore request you kindly make arrangement to return this file to the Institute, which would be collected by the Administrative Officer of this Institute.

An early action on the above is requested.

Thanking you.

Sub: Direct recruitment to the post of Scientist-D in Wildlife Institute of India, Dehradun – reg.

Sir,

Kind attention is invited to the above mentioned subject. In this context, the undersigned is directed to say that as far as appointment of Ms. Malvika Onial to the post of Scientist-D is concerned, as per the available records, on the closing date prescribed for receipt of applications (i.e. 07.09.2015) her age was more than 35 years and as per her application she did not possess a minimum 4 years experience in wildlife research from the date of acquiring Ph.D. She therefore, does not fulfill essential requirements for appointment to the post of Scientist-D. Hence candidature of Ms. Malvika Onial may be cancelled.

Similarly, appointment of Ms. Malvika Onial to the post of Scientist-E on contract basis is concerned, the WII-Scientific Recruitment and Assessment Promotion Rules, 2000 do not provide for appointment of scientist on contract basis. As per Rule 9 of these Rules, the Governing Body of WII may only relax these rules to provide for such appointment. Further Ms. Malvika Onial did not possess 13 years experience for appointment to the post of Scientist-E on contract basis as was stipulated in the advertisement/notice inviting applications. Appointment of Ms. Malvika Onial to Scientist-E on contract basis also therefore, does not appear to be in order. Hence her contractual appointment may also be cancelled.

In view of the above, it is requested to kindly take appropriate action in the matter and report compliance.

Yours faithfully,

(Roy P. Thomas)

Recruitment and Assessment Promotion Rules for Group-A Scientific Posts – 2010

March, 2010

11. Interpretation

Any question relating to interpretation of these rules shall be decided by the Chairman, Governing Body.

12. Repeal and Savings

WII Group-A Scientific Service Recruitment Rules-2006 for Recruitment and Assessment Promotion of Scientific Staff are hereby repealed insofar as they are consistent with these rules to the extent covered under these rules. These new Rules supersede all the existing Rules related to Recruitment and Assessment promotion of scientists in WII to the extent the existing rules are inconsistent with these rules. All the existing scientists shall be automatically covered under these Rules.

Sir,

Sub:- Original M.Sc. Degree Certificate - Reg
~~Ext~~ written for the post of Scientist-D

I could not produce the M.Sc. original degree certificate during the certificate verification for written test for the post of Scientist-D (Advt. No. WII/ADM/2015-16/01 dt. 8th Aug. 2015), since already I submitted the same to the Bharathidasan, University, Trichy along with my Ph.D. Thesis. I hereby assure that I will submit the original certificate in case of selection for the post.

Thanking you yours sincerely

WILDLIFE INSTITUTE OF INDIA
CHANDRABANI DEHRADUN

No. A/2-12/2007-WII (Part)

Dated 4th April 2015

Sub: Filling up vacancies on Direct Recruitment Basis – reg.

Three positions of Group-A Scientists in Wildlife Institute of India will fall vacant on superannuation as per the details given below:

(1) Two posts of Scientist-C will fall vacant on 30.06.2015 and 31.07.2015 respectively consequent upon retirement of Dr. Sushant Chowdhury, Scientist-G and Dr. B.K. Mishra, Scientist-G.

(2) One post of Scientist-F will fall vacant on 30.09.2015 consequent upon retirement of Dr. P.K. Mathur, Scientist-G & Dean.

As per Rule 6.1.2 of Recruitment and Assessment Promotions Rules for Group-A Scientific Posts - Recruitment shall normally be made at the level of Scientist-C (Pay Band-3, Grade Pay Rs. 6600). However, whenever need exists or arises, recruitment at other levels can be made on specific request from the Director and with the prior approval of the Chairman, Governing Body **(Page 22/c)**.

In this context, it is stated that the Institute requires to recruit Scientists who after obtaining their Masters degree have adequate research experience. As per Institute's Recruitment Rule **(vide p 21/c)** for recruitment to the level of Scientist 'D' (Pay Band-3 Grade Pay 7600) a candidate should have 4 years of research experience after obtaining Ph.D or have 7 years of research experience after obtaining the Masters degree. In view of the above, it is proposed that we may make recruitment at Scientist 'D' level in respect of all three positions.

It is stated that the process of recruitment of Scientists normally takes 3 months. Once the approval is received the process would be initiated and selected candidates would join as vacant positions will be become available.

Approval of the Secretary (E,F&CC) & Chairman, Governing Body to the above proposal is solicited.

To: FWS Dean <dean@wii.gov.in>
CC: PK Aggarwal <pka@wii.gov.in>, "Director, WII" <dwii@wii.gov.in>

Dear Sir,

Kindly refer to the circular of Administrative Officer in connection of Recruitment of Scientist-D. In this connection, it is to inform that with the approval of Competent Authority, I shall be on tour to Kerala and Tamilnadu from 19th September to 29th September 2015 in connection with BCRLIP work. Hence I may not be able to Chair the committee for conducting the examination for Scientist-D selection. It is requested that necessary alternative arrangements may please be made for this.

Inconvenience caused is regretted.

Regards

Anil Bhardwaj

No. WII/ADM/2015-16/01

Dated 13th September, 2015

To,

As per list enclosed

Sub.: Recruitment for position of Scientist–D in Pay Band-3 (15600-39100) with Grade Pay of Rs. 7600 on Direct Recruitment Basis at Wildlife Institute of India, Dehradun–reg.

Ref: Institute's Advertisement No. WII/ADM/2015-16/01 dated 8th August 2015 on the above subject.

Sir/Madam,

In inviting your application for the above stated position, I am directed to inform you that your application has been provisionally shortlisted for the Written Test. You are requested to appear for a Written Test to be held on **24th September, 2015** in Wildlife Institute of India Campus at Chandrabani, Dehradun, Uttarakhand. The Institute is located in Chandrabani Campus, about 10 km from Dehradun Railway Station and 4 km from Inter State Bus Terminal (ISBT), Dehradun.

You should report on **24th September, 2015 at 0930 hrs** in the Institute's Auditorium located inside the campus. The Written Test will be conducted between 1030 hrs to 1230 hrs. The Written Test will be of two hours duration having 60 objective type questions. Each question will be of one marks each. There will be a negative marking of 0.25 marks for each wrong answer. The Written Test will comprise multiple choice/objective questions based on the syllabus of Institute's M.Sc. Wildlife Science course. For syllabus, candidates may see the Institute's website (http://www.wii.gov.in/masters_wildlife_2_years and http://www.wii.gov.in/images/pdf/xiii_msc_syllabus.pdf). The result of the Written Test will be announced on the same day on 24.09.2015 at 1700 hrs and also hosted on WII's websites on 24th September, 2015 (Evening).

The first 20 candidates (for 02 Nos. posts of UR Category) and first 10 candidates (for 01 post of OBC Category) in order of merit i.e. marks obtained in the Written Test will be shortlisted and called for Interview before the Institute's Selection and Assessment Promotion (ISAP) Committee. The Merit in written test is of a qualifying nature in the screening process to be called for interview. In case two or more candidates obtain the same marks in the Written Test then the candidate senior in age would get the preference in the list of shortlisted candidates to be called for Interview.

223

The final selection of the candidate will be in accordance with his/her performance in the interview and in order of merit as decided by the Institute's Selection Committee. The interview of the shortlisted candidates by the Institute's Selection Committee will be held on 25th and 26th September, 2015 from 1100 hrs onwards in the Institute's Campus at Chandrabani, Dehradun.

You should make your travel and stay arrangements at Dehradun for the Written Test/Interview on your own. No TA/DA will be paid for appearing in the Written Test/Interview. This letter is being issued based on your application and documents submitted by you. Any misrepresentation or falsification in the application and documents submitted will lead to summary disqualification and rejection of your candidature. Please acknowledge receipt of this communication through email (pka@wii.gov.in).

While appearing in the Written Test/Interview, you are requested to bring the following documents in **Original**: -

(i) Two Passport size photographs
(ii) All certificates for educational, professional and experience.
(iii) N.O.C Certificate from their employer, in case of candidates from Government organizations.
(iv) Original Call letter issued by the Wildlife Institute of India, Dehradun for the Written Test.
(v) Original Valid Certificate in case of reserved category candidates
(vi) Original photo Identify card which may be in form of Passport, Adhar Card, Driving License, Voter ID Card etc.

In absence of above documents, the candidates will not be allowed for Written Test.

Yours faithfully,

(P.K. Aggawal)

8. Applications received after the due date i.e. **7th September 2015,** without application fee, incomplete applications and applications not in prescribed format will be rejected.

9. Candidates who obtain appointment by furnishing false information in the application are liable to be terminated.

10. The address for correspondence furnished in the application form is final and no request for change of address at a later date will be entertained.

11. Canvassing in any form will be a disqualification.

12. Mere fulfillment of the minimum advertised qualification and experience requirement DOES NOT automatically entitles an applicant to be called for written test/interview.

13. **Last date of Receipt of application: The last date of receipt of application is 7th September 2015 up to 1700 hrs.**

(180)

14. **Selection Process**:

(i) The Institute shall screen the applications received by due date and organize a written test for shortlisting the candidates to be called for the interview. The test for the eligible applicants shall be conducted in the Institute campus at Dehradun on 24th September 2015 between 0900 hrs to 1430 hrs. The Written Test will be of two hours duration having 60 objective type questions. Each question will be of one mark each. There will be a negative marking of 0.25 marks for each wrong answer. The written test will start at 1000 hrs. onwards on 24th September, 2015. The Written Test will comprise multiple choice/objective questions based on the syllabus of Institute's M.Sc Wildlife Science Course. For syllabus, candidate may see the Institute's website at (http://www.wii.gov.in/masters_wildlife_2_years and http://www.wii.gov.in/images/pdf/xiii_msc_syllabus.pdf). The candidates are required to report on 24th September, 2015 at **0900 hrs** in the Institute's Auditorium located inside the campus.

(ii) The first 20 candidates (for 02 Nos. posts of UR category) and first 10 candidates (for 01 post of OBC Category) in order of merit i.e. marks obtained in the Written Test will be shortlisted and called for Interview before the Institute's Selection cum Assessment Promotion (ISAP) Committee. The merit in written test is of a qualifying nature in the screening process to be called for interview. The final selection of the candidate will be in accordance with his/her performance in the interview and in order of merit as decided by the Institute's Selection Committee. The Interview of the Shortlisted Candidates by the Institute's Selection Committee **will be held on 25th and 26th September, 2015 from 1430 hs.** onwards in the Institute's Campus at Chandrabani, Dehradun.

(iii) Candidates are requested to bring all documents in Original along with two passport size photographs along with self attested photo copies of all certificates while appearing for the Interview. In case of reserved category candidates, the original valid certificate should also be produced; failing which their candidature for the interview will not be allowed. Candidates of 'OBC Category' need to bring the latest certificate (2014-15) as required in Government of India rules.

(iv) The result of the Written Test will be hosted on WII's website (www.wii.gov.in) on **24th September, 2015 (Evening)** and also placed on the WII's Notice Board on or before 1730 hrs.

(v) The candidates therefore are advised to come prepared to be present in Dehradun for atleast 2 nights i.e. **24th to 25th September 2015** and to make their own travel and stay arrangements at Dehradun for the Written Test/Interview at their own cost. No TA/DA will be paid for appearing in the Written Test/Interview. Any misrepresentation or falsification in the application and documents submitted will lead to summary disqualification of the candidature.

(vi) The documentation/certificates in case of the candidates who are called for interview will be checked/verified from the originals certificates between 0900 hrs to 1300 hrs. on 25th September, 2015. In case it is found that an attempt has been made by the applicant to wilfully conceal or misrepresent the facts and does not fulfill the eligibility criteria, his/her candidature will not be considered and will not be allowed to appear for the interview and in such an event no claim of whatsoever will be considered. Candidates are required to furnish the declaration form as given in the prescribed application form.

16. No correspondence will be entertained either with regard to call for written test, interview and/or selection.

17. It may be noted that if, at any stage, it is found that an attempt has been made by the applicant to willfully conceal or misrepresent the facts, his/her candidature may be summarily rejected and his/her employment terminated.

18. The date for determining the age limit/experience/qualifications shall be the closing date prescribed for receipt of applications i.e. **7th September 2015**.

19. The decision of the Institute in all matters relating to eligibility, acceptance or rejection of application, mode of selection will be final and binding on the candidates and no enquiry or correspondence will be entertained from any individual or his/her agency.

How to Apply:

Date: 7/9/2015

To,
The Director,
Wildlife Institute of India

Respected Sir,

Subject: Request to consider my candidature for the post of Scientist D.

Reference: Advertisement, No. Advt. WII/ADM/2015-16/01; hosted in the Institute's website, for the position of Scientist D.

I would like to place following points for your kind consideration.

I have bachelors degree in Veterinary Science & Animal Husbandry and masters in Wildlife Medicine from Karnataka Veterinary, Animal and Fisheries University, with four years of experience in the field of wildlife medicine, management and training.

In the advertisement, it mentioned that the minimal qualifications for the said post would be a Master's Degree in Wildlife Science/Life Science/Computer Science/Veterinary Sciences with 07 years experience in the said field. I would like to bring to your kind notice that, it takes five and a half years to complete the Bachelors Degree in Veterinary Science & Animal Husbandry, and an additional 2 years to complete the Masters in the same, whereas the counterparts from other subjects would take 5 years to procure the same educational qualification in respective subjects.

OFFICE
DIARY NO.: 1965
DATE: 07/09

Additionally, a Veterinary Masters degree holders are considered for Junior Scientist post in all other National institutes (ICAR, IVRI, Veterinary Universities; with Pay Band-3 of Rs.15600-39100 & RGP of Rs. 6000), which is at par with the Scientist D position in WII with no additional experience (Copy of the ICAR Recruitment rules attached Annexure).

Duly considering the above facts, I kindly request you to consider my candidature and give me a fair opportunity to appear for the qualifying examination for the Scientist D position.

Thanks in advance for sparing your valuable time.

Yours Sincerely,

(Dr. Sanath Krishna, M. K.)

To,

The Chief Secretaries of

Subject: Revision of format for OBC Caste Certificate

Madam/Sir,

The Government of India had issued instructions on 8th September, 1993 vide DoPT O.M. No. 36012/22/93-Estt.(SCT) providing for reservation to Other Backward Classes in the services and posts under the Government of India. The format of the Caste Certificate was prescribed vide Annexure A of the O.M. No. 36012/22/93-Estt.(SCT) dated 15th November 1993. In the said format, the then Ministry of Welfare's Resolution No. 12011/68/93-BCC(C) dated 10th September 1993 was mentioned, which contained the list of castes and communities treated as OBCs till that time. Since then, a large number of castes and communities have been added to the Central List of OBCs through various resolutions of the Ministry of Social Justice and Empowerment. The details of the resolutions subsequent to the Resolution dated 10th September 1993 do not find mention in the existing format. The said format also prescribes that the certificate issuing authority should certify that the candidate does not belong to the persons/sections (Creamy Layer) mentioned in Column 3 of the Schedule to the aforesaid O.M. dated 8.9.1993.

2. Representations have been received in this Department wherein candidates belonging to OBC Communities have reportedly faced difficulty in getting the benefits of reservation. This is because of the fact that in the caste certificate issued by the concerned district authorities, although the name of the caste/community is mentioned in the certificate, the specific resolution by which the said caste/community has been included in the Central List of OBCs is not indicated.

3. Keeping in view such problems faced by the candidates, this issue was examined in consultation with the National Commission for Backward Classes and it has been decided to revise the existing format of OBC Caste Certificate. A copy of the revised format is enclosed (**Annexure**). All the certificate issuing authorities are requested to invariably mention the details of the **Resolution (Number and Date) by which the caste/community of the candidate** has been included in the Central List of OBCs and also to ensure that he/she does not belong to the persons/sections (Creamy Layer) mentioned in Column 3 of the Schedule to the aforesaid O.M. dated 8.9.1993 as amended from time to time.

4. I am to request that the revised format of the Certificate may please be brought to the notice of authorities under the State Governments/Union Territories who are empowered to issue the Caste Certificate.

Yours faithfully

WILDLIFE INSTITUTE OF INDIA
CHANDRABANI DEHRADUN

No. A/2-12/2007-WII (Part)

Dated 4th April 2015

Sub: Filling up vacancies on Direct Recruitment Basis – reg.

Three positions of Group-A Scientists in Wildlife Institute of India will fall vacant on superannuation as per the details given below:

(1) Two posts of Scientist-C will fall vacant on 30.06.2015 and 31.07.2015 respectively consequent upon retirement of Dr. Sushant Chowdhury, Scientist-G and Dr. B.K. Mishra, Scientist-G.

(2) One post of Scientist-F will fall vacant on 30.09.2015 consequent upon retirement of Dr. P.K. Mathur, Scientist-G & Dean.

As per Rule 6.1.2 of Recruitment and Assessment Promotions Rules for Group-A Scientific Posts - Recruitment shall normally be made at the level of Scientist-C (Pay Band-3, Grade Pay Rs. 6600). However, whenever need exists or arises, recruitment at other levels can be made on specific request from the Director and with the prior approval of the Chairman, Governing Body **(Page 22/c)**.

In this context, it is stated that the Institute requires to recruit Scientists who after obtaining their Masters degree have adequate research experience. As per Institute's Recruitment Rule (**vide p 21/c**) for recruitment to the level of Scientist 'D' (Pay Band-3 Grade Pay 7600) a candidate should have 4 years of research experience after obtaining Ph.D or have 7 years of research experience after obtaining the Masters degree. In view of the above, it is proposed that we may make recruitment at Scientist 'D' level in respect of all three positions.

It is stated that the process of recruitment of Scientists normally takes 3 months. Once the approval is received the process would be initiated and selected candidates would join as vacant positions will become available.

Approval of the Secretary (E,F&CC) & Chairman, Governing Body to the above proposal is solicited.

considered together with the reserved vacancies of the year in which they are filled for determining the ceiling of 50% reservation on total number of vacancies of that year.

Note 1: Shortfall of reservation of a particular reserved category in a cadre means the difference between the 'total number of reserved posts for that category in the cadre' and 'the number of persons of that category appointed by reservation and holding the posts in the cadre'.

Note 2 : Backlog reserved vacancies of a category are those vacancies which were earmarked reserved for that category in an earlier recruitment year but remained unfilled in the previous recruitment attempt on account of non availability of suitable candidates belonging to that category and are still lying unfilled.

4.5 Given below is an illustration which would clarify the method of earmarking reservation for SCs, STs, and OBCs.

(i) There is a cadre having a total number of 1000 posts which are filled by direct recruitment on all India basis by open competition. The number of SC, ST and OBC employees appointed by reservation in the cadre should ideally be 150, 75 and 270 respectively when all the posts are filled.

(ii) Suppose all the 1000 posts stood filled in the year 2006 but the number of SC, ST and OBC employees appointed by reservation was 130, 75 and 100 respectively. There was, thus, a shortfall of 20 SCs and 170 OBCs in the cadre in that year, though all the posts were filled.

(iii) (a) Suppose 200 vacancies occurred in the cadre in the recruitment year 2007, of which 20 were vacated by SCs, 10 by STs and rest by unreserved category candidates. After vacation of these posts, shortfall of SCs, STs and OBCs in the cadre became 40, 10 and 170 respectively. Though there was a big shortfall of SCs, STs and OBCs in the cadre, only 100 of these vacancies could be earmarked reserved because all the 200 vacancies were current vacancies and limit of 50% on reservation in a year would apply on these vacancies.

(b) Shortfall of SCs and OBCs was more than 15% and 27% respectively of the current vacancies. Therefore, 15% of the current vacancies were straightway earmarked reserved for SCs and 27% for OBCs i.e. 30 vacancies were earmarked reserved for SCs and 54 for the OBCs. Shortfall of STs was 10 which is less than 7.5% of total vacancies. Therefore, only 10 vacancies were earmarked reserved for STs. Applying the above principle, 94 vacancies were earmarked reserved. This left room for 6 {100-(30+54+10)} more vacancies to be earmarked reserved to make up the shortfall. These 6 vacancies were apportioned between SCs and OBCs in the ratio of percentage of reservation prescribed for these categories viz. 15: 27, i.e. 2 for SCs and 4 for OBCs (fractions rounded off to the nearest whole number). However, while making such distribution, it has to be kept in view that the number of vacancies earmarked reserved for any category is not more than the shortfall

7.	SC	SC
8.	OBC	UR
9.	UR	UR
10.	UR	UR
11.	UR	UR
12	OBC	UR
13.	UR	UR
14.	ST	ST

Note 1: The term **'cadre strength'** used in relation to calculation of reservation/ maintenance of reservation registers /rosters means number of posts required to be filled by a particular mode of recruitment in terms of the applicable recruitment rules. In a grade comprising 200 posts, where the recruitment rules prescribe a ratio of 40:40:20 for direct recruitment, promotion and deputation/absorption respectively, the cadre strength for direct recruitment shall be 80 and cadre strength for promotion shall be 80. Since there is no reservation in case of deputation/absorption, 40 posts will not be subject to reservation.

Note 2: Where the recruitment is made vacancy based, it is possible that at any given point of time share of direct recruitment may increase and share of promotion may correspondingly decrease or vice-versa. In such cases cadre strength for direct recruitment and cadre strength for promotion may change from year to year. Consequently, number of reserved posts in direct recruitment quota and number of reserved posts in promotion quota would change from year to year. Likewise, if there is any increase or decrease in the cadre strength for any other reason, the number of reserved posts shall increase or decrease accordingly.

Note 3: Excess or shortfall of reservation, which may arise due to change in cadre strength, shall be adjusted/made up in subsequent recruitments.

Determination of Reserved Vacancies

4.3 While filling up of vacancies in a year, efforts shall be made to make up the shortfall of reservation for all the three categories, namely, SCs, STs and OBCs subject, however, to the condition that total number of vacancies reserved for SCs, STs and OBCs is not more than 50% of the vacancies of the year.

4.4 The ceiling of 50% reservation on filling of reserved vacancies would apply only to the vacancies which arise in the current year and the backlog reserved vacancies of SCs, STs and OBCs in case of direct recruitment and backlog reserved vacancies of SCs and STs in case of promotion of earlier years, would be treated as a separate and distinct group, and would not be

6.5.1 The applications, in response to the advertisement, shall be received at the Institute's headquarters at Chandrabani, Dehradun .

6.5.2 For recruitment of Scientists upto Scientist-F level, the Director, WII shall constitute the Screening Committee. For Scientist-G, the Screening Committee shall be constituted by Chairman, Governing Body. The Committee shall screen the applications received and organize a written test or seminar if considered necessary for short listing the candidates to be called for the interview. The set of applications and recommendations of the Screening Committee shall be sent to the Committee. Approval of relaxation, if any, in respect of age from Chairman, Governing Body shall be obtained by the Director, WII and sent to the Committee.

The Screening Committee for screening the applications for Scientists upto the level of Scientist-F, shall comprise of the following:

i) Director, WII or his nominee in the pay scale of Rs.18400-22400
ii) One Officer of the ICFRE in the pay scale of Rs.16400-20000
ii) One Officer of the WII in the pay scale of 16,400-20,000

The Screening Committee for screening the applications for Scientist-G shall comprise of the following:

i) One Officer of the MoEF in the pay scale of Rs.22,400-24,500.
ii) One Officer from ICFRE in the pay scale of 18,400-22,400.
iii) Director, WII or his nominee in the pay scale of 18,400-22,400.

The quorum of the Screening Committee shall be the Chairperson and one member.

6.5.3 The date and time for holding the meetings of the Committee shall be fixed by the Director, WII in consultation with the Chairperson of the Committee. The letter of invitation/intimation to the short listed candidates for the interview/test shall be issued by the Institute accordingly.

6.5.4 Committee shall recommend a panel of candidates in order of merit for each post or group of posts as advertised. All relevant papers in respect of the selections shall be forwarded by the Director, WII to the Chairman, Governing Body.

6.5.5 The panel thus prepared by the Committee shall be valid for one year from the date of approval by the competent authority and operated for issuing the offer of appointment to the selected candidates only to the extent of the number of the vacancies advertised. If any of the candidate(s) who have been issued the offer of appointment up to the extent of the notified vacancies does not accept the offer or does not join by the stipulated date, the next candidate on the panel can be offered the post.

6.6 Probation

6.6.1 Persons appointed to the posts of Scientist-B shall be on probation for a period of two years. Persons appointed to other grades, *viz.* Scientist – **'C', 'D', 'E', 'F'** and **'G'** shall be on probation for a period of one year, provided that the appointing authority may extend or curtail the period of probation in accordance with the instructions issued by the Government of India from time to time.

6.6.2 On completion of period of probation or extension thereof, the scientists shall if considered fit, may be confirmed against the post, if not already confirmed in the entry grade.

6.7 Pay

6.7.1 The pay of a candidate selected for the post shall normally be fixed at the minimum of the pay scale attached to the post. However, advance increments if any, could be recommended by the Committee keeping in view the overall merit of the candidate. While doing so, details of the achievements/exceptionally outstanding performance/work of the candidate should be specifically mentioned in the proceedings of the Committee to establish the rationale and reasoning for the increments recommended.

6.7.2 Up to five advance increments as recommended by the Committee may be granted by the Chairman, Governing Body.

6.8 All Scientists in the service of the Institute shall be liable to serve anywhere in India or outside. Director, WII shall be empowered to transfer any Scientist to any place of work in public interest.

6.9 Appointing Authority

6.9.1 For the posts of Scientists upto the level of Scientist-F, the Chairman, Governing Body shall be the appointing authority.

6.9.2 For the posts of scientists-G and posts in equivalent grades, the appointing authority shall be President, WII-Society.

6.10 Addition to Qualifying Service

6.10.1 Scientists directly appointed to the posts of Scientist-C and above shall be entitled to the benefit of added years of service for the purpose of superannuation pension admissible under Rule-30 of the Central Civil Services (Pension) Rules, 1972 as amended from time to time.

7. Assessments and Promotions

7.1 Promotion of all Scientists governed by these Rules from one grade to the next higher grade, shall be made on the basis of modified Flexible Complementing Scheme. On promotion of a Scientist from one Grade to the next higher Grade, the post held by him/her shall stand upgraded automatically as personal to the Scientist concerned. On vacation of the post by the Scientist, it shall be filled at the level of Scientist-C.

7.1.1 The benefit of assessment promotion under modified FCS to existing scientists having qualification in areas other than those prescribed under this scheme shall continue. However, no fresh direct recruitment of scientists would be made in such subject areas. Scientists in the

disciplines other than those prescribed under the modified FCS may be taken for a fixed tenure against available Direct Recruitment vacancies.

7.2 Promotion up to the level of Scientist – G i.e. of Scientist-B, C, D, E, F shall be made on the basis of:

7.2.1 Preliminary screening by a Screening Committee which takes into account the Annual Performance Appraisal Reports (APAR) recorded for the years covered under the residency period, and interview by the Committee.

7.2.2 The Screening Committee shall be constituted with the approval of the Chairman, Governing Body and comprise of the following:

i) One Officer of the MoEF in the pay scale of Rs.22,400-24,500.
ii) One Officer from ICFRE in the pay scale of 18,400-22,400.
iii) Director, WII or his nominee in the pay scale of 18,400-22,400.

The quorum of the Screening Committee shall be the Chairperson and one member.

7.3 The minimum residency period to be completed in a grade for consideration for assessment shall be as under:

Scales of pay	Designation	Minimum Residency period linked to performance.
Rs.8000-13500	Scientist – B	3 years.
Rs.10000-15200	Scientist – C	4 years.
Rs.12000-16500	Scientist – D	4 years.
Rs.14300-18300	Scientist – E	5 years.
Rs.16400-20000	Scientist – F	5 years.
Rs.18400-22400	Scientist-G	-

7.3(a) The period spent on deputation/foreign service to a non-scientific post and extra ordinary leave availed on personal grounds, shall not count towards the minimum residency period.

7.3(*b*) In case of permanent absorption of a scientist on deputation in the same grade in WII-Scientific service from other Scientific Departments where Flexible Complementing Scheme is applicable, the entire service of that

Scientist in the same grade including in the parent department shall be counted towards residency period. If an officer comes on deputation on a higher grade into the service and later permanently absorbed in the same grade in the service, the period spent on deputation shall be counted for residency period for consideration for promotion to the next higher grade.

7.3(c)[1] Assessment Promotion of Scientists who are on deputation/foreign services to a scientific post may be considered by the Selection Committee of the Institute on the basis of the performance report of the borrowing organizations.

7.4 All Scientists will be first screened for eligibility on the basis of marks obtained as per criteria in the Annual Performance Appraisal Reports (APARs) placed at **Annexure-A1.** Only those Scientists who satisfy the minimum residency period linked to their performance threshold as indicated in the Table below shall be considered for further assessment.

	Number of years in the grade					
	3	4	5	6	7	8
Minimum averaged percentage of APAR scores for eligibility						
Scientist B to Scientist C	85%	80%	70%	65%	60%	-
Scientist C to Scientist D	-	85%	80%	75%	70%	60%
Scientist D to Scientist E	-	85%	80%	75%	70%	60%
Scientist E to Scientist F	-	-	85%	80%	75%	70%
Scientist F to Scientist G	-	-	85%	80%	75%	70%

7.4.1 Notwithstanding anything contained in these rules, a relaxation of one year in the minimum residency period can be granted to a Scientist C, D & E provided that he/she consistently secures 90% and above marks in the Annual Performance Appraisal Reports (introduced under Rule 8.1) in three successive years in the grade. This provision shall be applicable maximum twice in the career of a Scientist.

[1] Note: Clause 7.3 (c) has been added as per decision taken by the Governing Body in its 54th Meeting held on 30th March 2010.

7.5 Screening Committee

7.5.1 In the case of Assessment Promotions of Scientists-B and above upto Scientist–G, the Screening Committee as constituted under **Rule 7.2.2** above shall review the Annual Performance Appraisal Reports (APARs) and other relevant records of all Scientists completing the prescribed residency period for recommending the candidates for interview by the Committee.

7.6 Assessment Committee

7.6.1 The Assessment Promotion shall be made by the Committee as constituted under Para 6.4 (i) and (ii) above. The quorum of the meeting of the Committee shall be the Chairperson plus three members, with at least one Subject Matter Specialist.

7.6.2 The Committee shall appraise the Scientists on the basis of objective criteria laid down in the APAR. However, there will not be separate marks for interview.

7.6.3 All Scientists will submit a 'Self Assessment' report for the total residency period to Committee providing details of their activities and accomplishments. The 'Self Assessment' report will be reviewed as per same criteria and weightage provided in the APAR and the marks thus obtained would form the basis of their assessment promotion as per the threshold prescribed in para 7.4 above.

7.6.4 The Committee shall submit its recommendations as `Fit for Promotion' or `Not yet Fit for Promotion' as per the norms laid down in the modified Flexible Complementing Scheme.

7.6.5 The effective date of promotion for those found eligible for promotion shall be the due date of review of 1st January or 1st July of that year, as the case may be.

7.6.6 In case of a scientist assessed and found fit for promotion but is unable to assume charge of the higher grade on effective date for being away on study leave (combined with any other leave), sanctioned by the competent

authority, for pursuing higher studies or receiving specialized training in professional and technical subjects having a direct or close connection with the WII programs, on resumption he/she may reckon notional seniority in the higher grade from the date of his/her selection to that grade for the purposes of counting of residency period for considering for promotion to the next higher grade provided the Director, WII is satisfied about the performance of the scientist during the course of study/training.

7.6.7 **Procedure for Assessment of Scientists who are under Suspension/against whom Disciplinary Proceedings are Pending**

The assessment of the Scientists who are under suspension/against whom disciplinary proceedings are pending shall be regulated as per procedures notified by the Government of India.

8.0 Performance Appraisal Reports

8.1 The system of Performance Appraisal shall be in the form of Annual Performance Appraisal Reports (APAR) as per format at **Annexure-A.**

8.2 Those scientists, who leave the service of WII on their own volition including voluntary retirement, shall not be entitled for any assessment over and above the assessment(s) if any, already availed even if it may relate to the period when they were in WII service. However, those scientists who superannuate or pass away while in service shall be considered for assessment from the due date of eligibility. The cases of the deceased shall be decided by the Committee on the basis of their APARs.

9. Power to Relax

The Governing Body may relax any or all the provisions of these Rules wherever considered necessary.

10. Relaxation for SC/ST Candidates

Nothing in these Rules shall affect reservations, relaxation of age limit and other concessions, required to be provided for Scheduled Castes and Scheduled Tribes and other special categories of persons in accordance with the orders issued by the Government of India from time to time in this regard.

11. Interpretation

Any question relating to interpretation of these rules shall be decided by the Chairman, Governing Body.

12. Repeal and Savings

WII Group-A Scientific Service Recruitment Rules-2006 for Recruitment and Assessment Promotion of Scientific Staff are hereby repealed insofar as they are consistent with these rules to the extent covered under these rules. These new Rules supersede all the existing Rules related to Recruitment and Assessment promotion of scientists in WII to the extent the existing rules are inconsistent with these rules. All the existing scientists shall be automatically covered under these Rules.

Part 4: Integrity and Ethics

Please read the following guidelines before evaluating the scientist for integrity and ethics.

Guidelines issued by the Government of India, Department of Personnel, regarding, Integrity", vide O.M. No. S1/S/72-ESTT A' dated 20May 1972.

In every form of Confidential Report there should be a column regarding integrity to enable the Reporting Officer to make his remarks on the integrity of the Government servant reported upon. The following guidelines should be followed in the manner of making entries in the column relating to integrity:

a) Supervisory Officer should maintain a confidential diary in which instances which create suspicion about the integrity of a subordinate should be noted from time to time and action to verify the truth of such suspicion should be taken expeditiously by making confidential enquiries departmentally or by referring the matter to the Special Police Establishment. At the time of recording the Annual Confidential Report this diary should be consulted and the material in it utilized for filling, in the column relating to integrity. If the column is not filled on account of the unconfirmed nature of the suspicious, further action should be taken in accordance with the following sub-paragraphs,

b) The column pertaining to integrity in the character Roll should be left blank and a separate secret note about the doubts and suspicions regarding the Government servants integrity should be recorded simultaneously and followed up.

c) A copy of the secret note should be sent together with the Character Roll to the next superior officer who should ensure that the follow up action is taken expeditiously.

d) If, as a result of the follow-up action, a Government servant is exonerated, his integrity should be certified and an entry made in the Character Roll,

e) If suspicions regarding his integrity are confirmed, this fact can also be recorded and duly communicated to the Government servant concerned,

f) There may be cases in which after a secret report/ note has been recorded expressing suspicion about a Government servant's integrity, the inquiries that follow do not disclose sufficient material to remove the suspicion or to 'confirm' it. In such a case the Government servant's conduct should be watched for a further period, and in the meantime, he/she should as far as possible be kept away from positions in which there are opportunities for indulging in corrupt practices and thereafter action taken as indicated at (p") and (e) above,

g) There are occasions when a Reporting Officer cannot in fairness to himself and to the Government servant reported upon, either certify integrity or make an adverse entry or even be in possession of any information which would enable him to make a secret report to the Head of the Department. Such instances can occur when a Government servant is serving in a remote station and the Reporting Officer has not had occasion to watch his work closely or when a Government servant has worked under the Reporting Officer only for a brief period or has been on a long leave etc. In all such cases, the Reporting Officer should make an entry in the integrity column to the effect that he has not watched the Government servant's work for sufficient time to be able to make any definite remark or that he has heard nothing against the Government servant's integrity, as the case may be. This would be a factual statement to which there can be no objection. But it is necessary that a superior officer should make every effort to form a definite judgement about the integrity of those working under him, as early as possible, so that he may be able to make a positive statement.

Please comment on the scientist's integrity and standards of ethics:

Part 6. Scientist's Targets for Coming Year and Continual Growth Plan

Scientists should be clear of the expectations against which they will be evaluated. This form provides the scientist and reporting officers to set "stretch'-goals (ambitious but not impossible goals) for achievements for the coming year given the enabling mechanisms and availability of facilities/resources (available and accessible both within or outside the institute. The completion of this form is in the best interest of the scientist, reporting, reviewing and accepting officers and objectivity of the evaluation exercise. This form would be updated at mid-year, to take into account of changed circumstances, if any.

(Please note: While Part 1-5 of the form are to be submitted by January 31st of the year, Part 6 can be completed by February 28th. The scientist can retain the original while the reporting officer can retain a photocopy for future reference.)
