The MoU must be valid for at least the period of validity of the bid and the lifting period, and the partner must not be a partner in any other bid for this tender. The e-waste component must be physically handed over to, and processed by, the authorised partner.

2.3 PAN and GST: Valid PAN and active GSTIN registration (self-attested copies).

2.4 Earnest Money Deposit: EMD of ₹ 25,000/- must be enclosed in Envelope A. Bids without valid EMD, or without valid proof of statutory exemption (e.g. valid MSME/NSIC registration for the relevant item, if applicable), shall be rejected.

3. TERMS OF SALE

A. "As-Is-Where-Is" and Caveat Emptor

3.1 Bidders are advised to **physically inspect** the items at the WII campus during the inspection period before bidding. Submission of a bid shall be deemed conclusive proof that the bidder has inspected the items and is fully satisfied.

3 . 2 All items are sold with all existing faults, imperfections and errors of description.

3 . 3 WII gives no condition, warranty or guarantee regarding quality, quantity, weight, chemical composition, fitness for use or operational capability of any item. The quantities in Schedule A are approximate and indicative only; no claim, adjustment of price or dispute shall be entertained on account of any variation in count, weight, description or condition.

B. Single Composite Lot

3.4 The tender is for the **entire inventory as one Single Composite Lot** (as listed in Schedule A). Piece-meal bids, partial bids or bids for selected items shall be rejected.

3.5 The **highest valid quote (H1)**, being not less than the Reserve Price, shall be declared successful. Bids below the Reserve Price shall be treated as non-responsive and rejected. In the event of a tie between two or more H1 bids, the tied bidders shall be invited to submit revised sealed offers, and the highest of these shall be accepted.

3.6 WII reserves the right to withdraw any item from the lot before the issue of the Sale Order, by written intimation to all bidders, in which case the bid shall stand for the remaining lot with no change in price except as mutually agreed. WII also reserves the right to accept or reject any or all bids without assigning any reason, and to cancel or re-tender at any stage.

C. EMD and Payment

3.7 **EMD** of ₹ 25,000/- shall be refunded, without interest, to unsuccessful bidders

after award of the Sale Order to H1 (within 15 days), and to H1 on receipt of full payment and satisfactory lifting of the material (or adjusted against payment at H1's request). EMD instruments (Bank Guarantee/FDR) must be valid for at least 180 days from the last date of submission.

3.10 Default: Failure to remit the full amount within the stipulated time shall result in **automatic forfeiture of the EMD** and cancellation of the Sale Order without further notice. D. Lifting and Clearance

3.11 No material shall be released until full payment is realised. A Delivery Order / Gate Pass shall be issued after realisation of payment.

3.12 The material must be **fully lifted and removed within ten (10) calendar days** from the date of the Delivery Order / Gate Pass. For delay beyond this period, WII may, at its discretion, allow an extension of up to 5 days on a written request subject to a penalty of 0.5% of the bid value per day, failing which the un-lifted material shall be forfeited without refund and WII may dispose of it as it deems fit.

Lifting shall be done on working days between 10:00 AM and 04:30 PM under the supervision of the WII representative, with the buyer's workers carrying valid identity cards.
